

May 2009

Dear Parent/Guardian

Change of school day for the Examination Period

From Monday, 1 June to Friday, 19 June 2009, lunchtime will take place from 12.10pm to 1.00pm, period 4 moving into the afternoon session, all other timings remain the same. The reason for this is to be able to run afternoon exams within the school session (currently many afternoon exams would be longer than our school afternoon session) without students having to take exams during lunchtime which is inevitably a noisier time, and time when access to the school hall is required for lunches.

In addition we also need to make this change for two days prior to half term. Lunch will be moved to the earlier time slot on Tuesday 12 May and Monday 18 May to accommodate afternoon external examinations.

May I thank you in anticipation of your co-operation with these changes. I am sure you will all wish to support those students taking important examinations this year and wish them well.

Yours sincerely
