**** History revision will begin from March onwards and Science revision after Easter.***

Dear Parent/Guardian

We are running revision/catch-up sessions during lunch time and after school. The sessions are not compulsory but we do expect every student to take full advantage and turn up to at least one session each week.

The teaching staff are giving up their free time to run the sessions, so we hope your child will make every effort to attend giving them every opportunity of gaining their target grade. We do hope you will support us by encouraging your child to attend.

Yours sincerely

Mr C Cumming
 Head of House (Electra)
