

How to access I Am Learning and Subject Resources in Frog

- To access I Am Learning from school simply click Frog on your start menu: 
- To access I Am Learning from outside school go to www.thestreetlyschool.co.uk and click the big green VLE link in the home page.

You will be greeted with a login page:

Enter your regular network username and password into the form and click “go!”

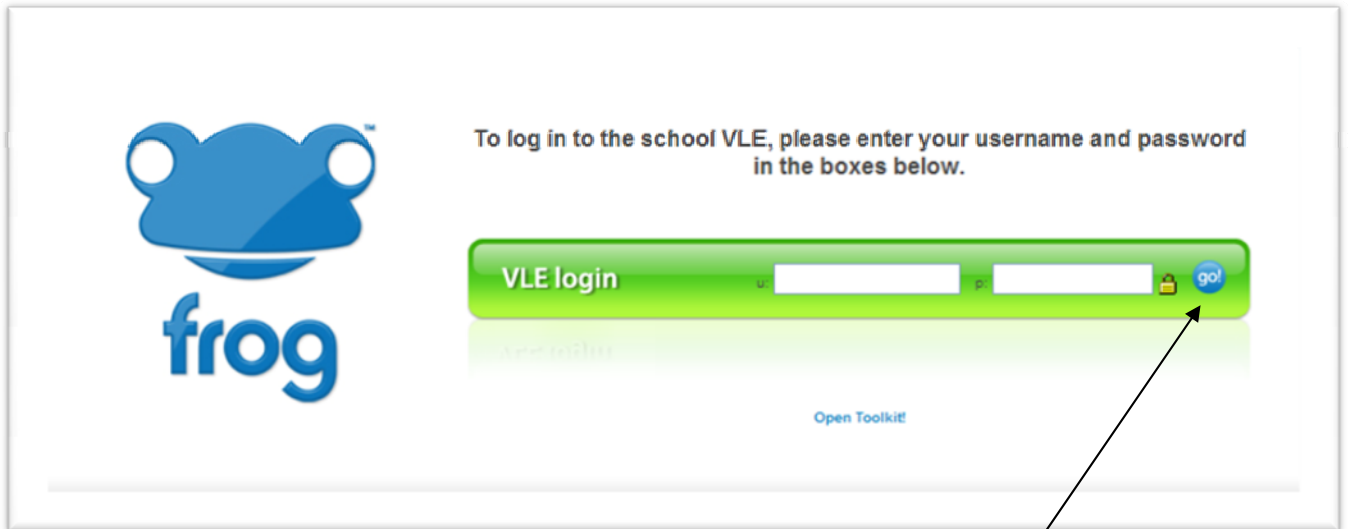

Click this logo.

IAmLearning.co.uk will then open. **If you get an error at this point, you can go directly to: <http://www.iamlearning.co.uk> and follow the instructions at the end of the guide.**

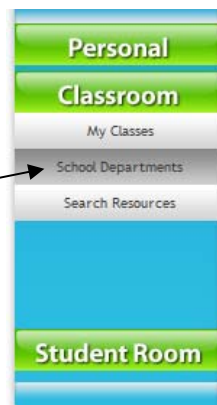

- To access Frog from school simply click Frog on your start menu: 
- To access Frog from outside school go to www.thestreetlyschool.co.uk and click the big green VLE link in the home page.

You will be greeted with a login page:

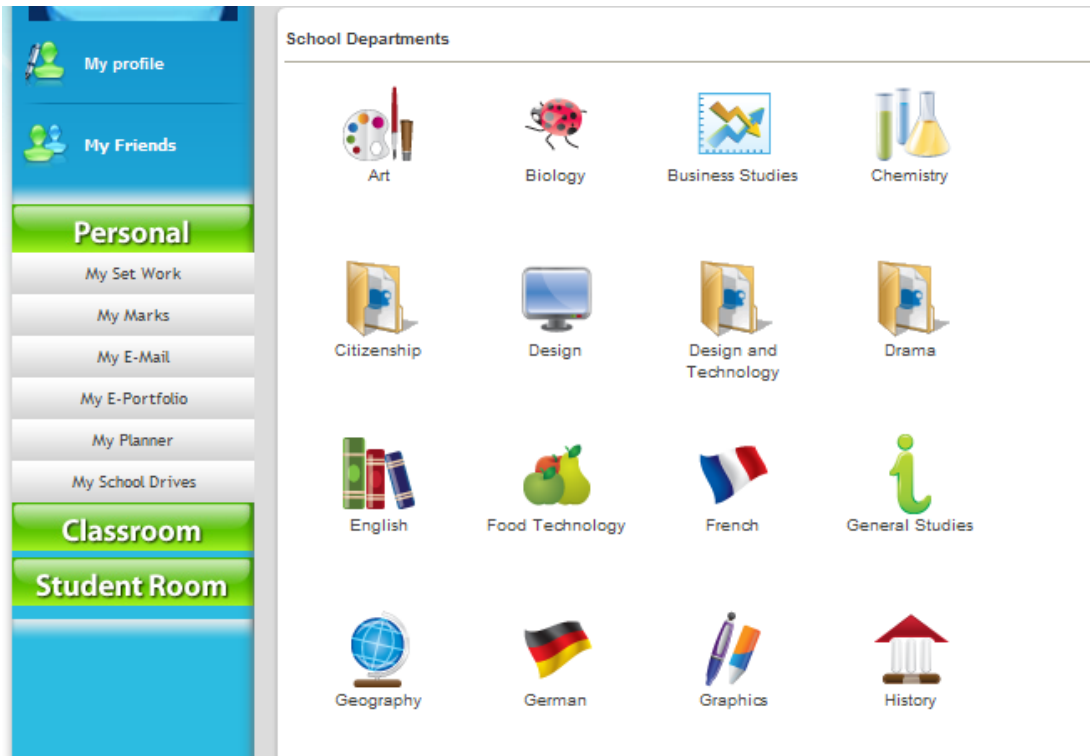

Enter your regular network username and password into the form and click “go!”

On the menu (left hand side) click this link: →

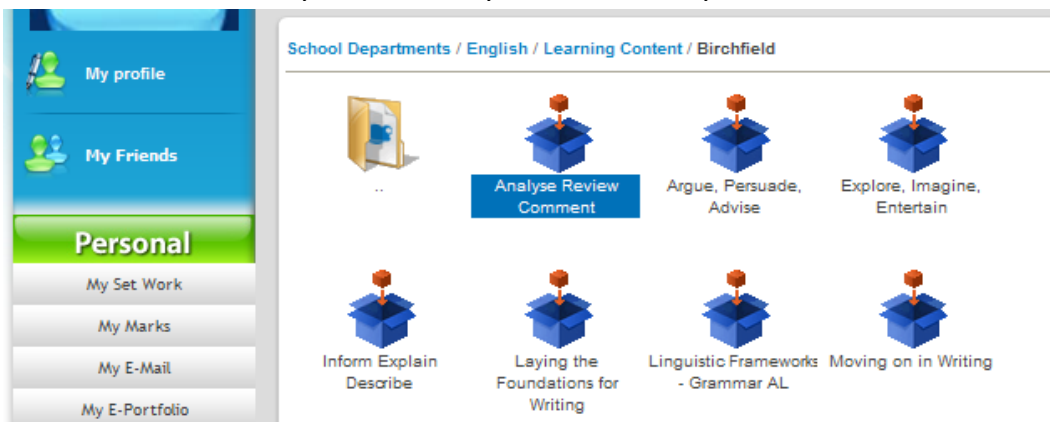

Select your desired subject from the list and double click:

Navigate to "Learning Content" and you will see two folders:

Double click the folder you need and you will see many different resources:

Double click the one that's appropriate for your lesson and you are done.
