

SCHOOL UNIFORM - FOOTWEAR

“DCSF guidance to schools on school uniform and related policies” it clearly states;

“School uniform plays a valuable role in contributing to the ethos of a school and setting an appropriate tone. Most schools in England have a school uniform or dress code, and other rules on appearance. DCSF strongly encourages schools to have a uniform as it can instil pride; support positive behaviour and discipline; encourage identity with, and support for, school ethos; ensure pupils of all races and backgrounds feel welcome; protect children from social pressures to dress in a particular way; and nurture cohesion and promote good relations between different groups of pupils. Above all, many schools believe that school uniform supports effective teaching and learning.” *(Para 1)*

We at The Streetly School have a deep belief that wearing a uniform, and wearing it correctly, has a positive impact on the school. Please see the pictures displayed on our website displaying the type of shoe we expect our students to wear.
